Welcome! The summer of 2010 will see the return of the Walsh University Men's Soccer Camps.

Through rigorous training sessions, which will focus on the improvement of technical and tactical abilities, each player will view and play the game at a championship level. We coach with the emphasis on having these players prepared to compete at any and all levels when they return to their teams.

Campers will be given a lunch break from 11-11:30 each day and should be prepared with a healthy lunch. Campers should also contain proper gear in the event of bad weather, if it were to move in the area. Each camper will need to bring

- Water
- Soccer Ball
- Lunch

Please RSVP before June 14th if you are interested in attending any of the camps. Registration can be completed by emailing Pat Svihlik or Rick King at our email addresses.

For questions about the camp or to register please contact the coaches at their email addresses.
